A. Plaintiff's Copyright Ownership

B. Defendant's Infringing Activity

19. Defendant is the registered owner of the Account and is responsible for its content.

20. Defendant is the operator of the Account and is responsible for its content.

21. The Account is a key component of Defendant's popular and lucrative commercial enterprise.

22. The Account is monetized in that it promotes the business to the public, encourages subscribers to its magazine and, upon information and belief, Defendant profits from these activities.

23. Upon information and belief, Defendant has not implemented adequate internal policies to verify copyright ownership before content use, indicating a gross negligence in legal compliance, which is essential for a company with Defendant's reach, capabilities, and level of sophistication.

24. Upon information and belief, Defendant's internal policies, if any, are either not designed to verify copyright ownership before content use or are systematically ignored, indicating a willful, recurring disregard for copyright compliance.

25. Defendant's failure to adopt or effectively enforce internal copyright policies, if any, indicates *de facto* willful infringement.

26. On or about November 13, 2023, without permission or authorization from Plaintiff, Defendant volitionally copied and displayed Defendant displayed the Photograph on the Account as part of a social media post at URL: <https://www.instagram.com/p/Czl8QtFMGjF/>. 29. The Infringement includes a URL ("*Uniform Resource Locator*") for a fixed tangible medium of expression that was sufficiently permanent or stable to permit it to be communicated for a period of more than a transitory duration and therefore constitutes a specific infringement.

30. The Infringement is a copy of Plaintiff's original image that was directly copied and displayed by Defendant on the Account.

31. Upon information and belief, Defendant takes an active and pervasive role in the content posted on its Account, including, but not limited to copying, posting, selecting, commenting on, and/or displaying images including but not limited to Plaintiff's Photograph.

32. Upon information and belief, the Photograph was willfully and volitionally posted to the Account by Defendant.

33. Upon information and belief, Defendant was aware of facts or circumstances from which the determination regarding the Infringement was apparent. Defendant cannot claim that it was not aware of the infringing activities, including the specific Infringement which forms the basis of this complaint, since such a claim would amount to only willful blindness to the Infringement on the part of Defendant.

34. Upon information and belief, Defendant engaged in the Infringement knowingly and in violation of applicable United States copyright laws.

35. Upon information and belief, Defendant had complete control over and actively reviewed and monitored the content posted on the Account.

37. Upon information and belief, Defendant has received a financial benefit directly attributable to the Infringement.

38. Upon information and belief, the Infringement increased traffic to the Account and, in turn, caused Defendant to realize an increase in its business revenues.

39. Upon information and belief, a large number of people have viewed the unlawful copy of the Photograph on the Account.

40. Upon information and belief, Defendant at all times had the ability to stop the reproduction and display of Plaintiff's copyrighted material.

41. Defendant's use of the Photograph harmed the actual market for the Photograph.

42. Defendant's use of the Photograph, if widespread, would harm Plaintiff's potential market for the Photograph.

43. On September 12, 2024, Plaintiff, via counsel, served a letter seeking to address the complaints contained herein concerning Defendant's infringement of Plaintiff's rights-protected work.

44. Despite Plaintiff's efforts and willingness to address Defendant's infringing activity, Defendant failed to respond, and Plaintiff was forced to seek judicial intervention for Defendant's infringing activity.

45. As a result of Defendant's misconduct, Plaintiff has been substantially harmed.

FIRST COUNT

(Direct Copyright Infringement, 17 U.S.C. §501 et seq.)

46. Plaintiff repeats and incorporates by reference the allegations contained in the preceding paragraphs, as though set forth in full herein.

47. The Photograph is an original, creative work in which Plaintiff owns a valid copyright.

48. The Photograph is properly registered with the USCO and Plaintiff has complied with all statutory formalities under the Copyright Act and under regulations published by the USCO.

49. Plaintiff has not granted Defendant a license or the right to use the Photograph in any manner, nor has Plaintiff assigned any of its exclusive rights in the copyright to Defendant.

50. Without permission or authorization from Plaintiff and in willful violation of Plaintiff's rights under 17 U.S.C. §106, Defendant improperly and illegally copied, reproduced, distributed, adapted, and/or publicly displayed works copyrighted by Plaintiff thereby violating one of Plaintiff's exclusive rights in its copyrights.

51. Defendant's reproduction of the Photograph and display of the Photograph constitutes willful copyright infringement.

52. Upon information and belief, Defendant willfully infringed upon Plaintiff's copyrighted Photograph in violation of Title 17 of the U.S. Code, in that Defendant used, published, communicated, posted, publicized, and otherwise held out to the public for commercial benefit, Plaintiff's original and unique Photograph without Plaintiff's consent or authority, by using it on the Account.

53. As a result of Defendant's violations of Title 17 of the U.S. Code, Plaintiff is entitled to an award of actual damages and disgorgement of all of Defendant's profits attributable to the infringements as provided by 17 U.S.C. § 504 in an amount to be proven or, in the alternative, at Plaintiff's election, an award for statutory damages against Defendant for each infringement pursuant to 17 U.S.C. § 504(c).

54. As a result of the Defendant's violations of Title 17 of the U.S. Code, the court in its discretion may allow the recovery of full costs as well as reasonable attorney's fees and costs pursuant to 17 U.S.C. § 505 from Defendant.

55. As a result of Defendant's violations of Title 17 of the U.S. Code, Plaintiff is entitled to injunctive relief to prevent or restrain infringement of Plaintiff's copyright pursuant to 17 U.S.C. § 502.
